REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination teaches or suggests "a second voltage supply coupled to the first voltage supply; in response to the jack sense indicator determining that the listening device is connected to the jack, the jack sense indicator causing the first switch to be driven open and a signal path between the inverting amplifier and the first speaker to be interrupted; and in response to the listening device being connected to the jack, the jack sense indicator causing the second switch to couple the non-inverting amplifier to the second voltage supply rather than to the first voltage supply".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
